Dear Dr.-Ing Haddadin:

This note accompanies a certificate of recognition for your part in the publication "Reach and grasp by people with tetraplegia using a neurally controlled robotic arm." This article was selected by the Executive Committee on Research to receive the 2013 Martin Prize in Basic Research, which recognized the most outstanding publication at MGH in basic research in 2013.

Sincerely,

Maire Leyne, MS, MBA
Director, Executive Committee on Research (ECOR)
